**Key Features
& Benefits**

Smart Color Night Vision

Four smart night vision modes provide clear full color or black-and-white pictures even in complete darkness.

Smart Mode

If you switch to the Smart Mode, you can **enjoy black and white** night vision. The spotlights automatically turn on upon detection of suspicious motion, which shows you **vivid full-color image** when something happens.

Infrared Mode

Advanced IR algorithms provide clear **black-and-white** pictures even in darkness.

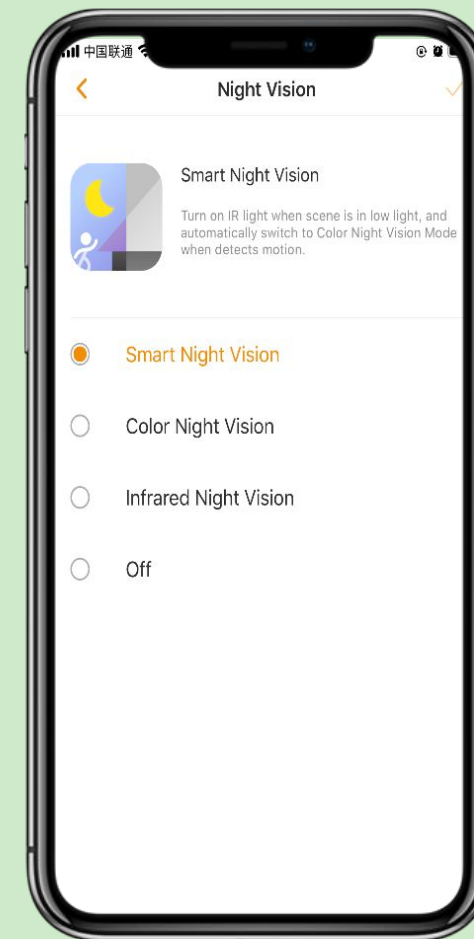

Color Mode

Thanks to the two built-in spotlights, your night vision is now lit up and in **full-color**. Color Mode also offers outdoor lighting for your home.

Off Mode

Turn off all night vision modes
Infrared and spotlights all turned off

Benefits &
Key Features

1080P/4MP QHD Video

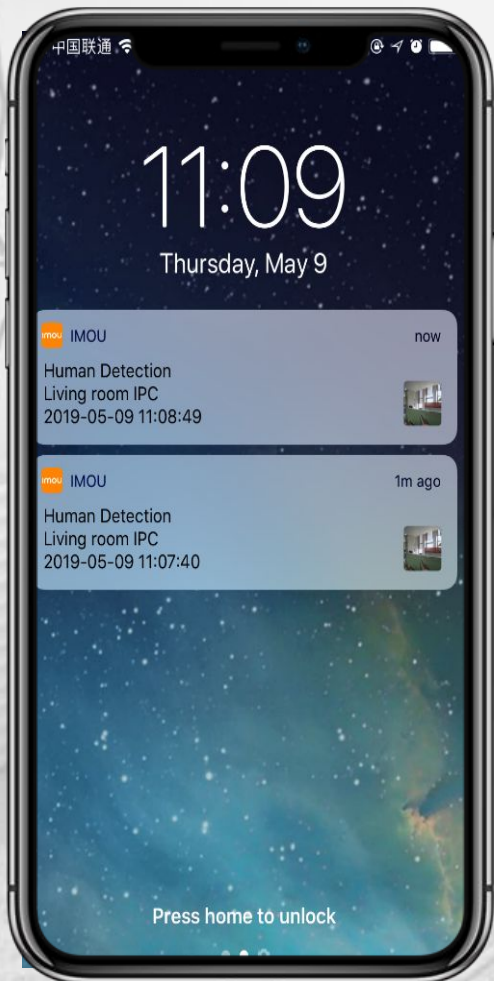

High quality sensors present crystal clear videos and recordings.
Cruiser SE+ support 1080P and Cruiser SE+ 4MP support 4MP
